1. Jesus our High Priest, Lord and Mediator,
Joyful we praise You, all our race acclaiming
Your intercession at the throne of mercy,
before the Father.
2. Formed by the Spirit through the Holy Virgin,
Victim most worthy, You were born to save us;
Child in a manger, with Your hands so gentle
You hold creation.
3. You were anointed with the oild of gladness,
Chrism most holy, given by the Father,
Sharing His glory, majesty and honour,
our Priest for ever.
4. Lord God Almighty, bearing our frail nature,
Your Blood is offered, for our sins the cleansing,
Perfect oblation, price of reparation,
From death our freedom.
5. Christ our Redeemer, on the Cross uplifted,
Draw us together, with Your love so tender,
That we may praise You, Paraclete and Father,
Now and for ever.
