1. We have a High Priest! Christ Jesus the Lord,  
The Father's dear Son, His splendour outpoured:  
Transgression's atonement, now reigns He on high,  
Our Prince, crowned in glory, in God's majesty.
2. We have a High Priest! Christ, chosen of God,  
He suffered to death as this world He trod.  
A Priest of Melchizedek, hearing He won,  
For could God refuse Him – His own blessed Son?
3. We have a High Priest! The victims of old,  
How fruitless their worth until, love untold!  
There come One to cleanse us, both Victim and Priest,  
Libation His own Blood; His Body the feast!
4. We have a High Priest! Christ raised from the tomb,  
Great Shepherd Whose truth shall last to the doom,  
Who won with His saving Blood grace for all men,  
Through Him, with and in Him, be glory. Amen.
